

# Wild About Learning

Wild about Learning is a practical and educational outdoor programme run by The Fostering Network. It offers young people aged eight - 11 an opportunity to experience learning through nature in the great outdoors.

This trauma informed programme uses fun and engaging activities to promote social and emotional wellbeing and academic learning. Communication, teamwork, self-confidence and problem-solving skills are all enhanced, along with building friendships with other children in foster care.

**Wild about Learning is delivered through the Fostering Attainment and Achievement service.**

## The next scheme in your area is:

Venue: Brekenhill, Ballyclare

Dates: Saturday 6, 13, 20 and 27 April 2024

Time: 10.00am-1.00pm

To register email [events@fostering.net](mailto:events@fostering.net) or call 02890705056 by Friday 8 March 2024
