

Wild About Learning

Wild about Learning is a practical and educational outdoor programme run by The Fostering Network. It offers young people aged eight - 11 an opportunity to experience learning through nature in the great outdoors.

This trauma informed programme uses fun and engaging activities to promote social and emotional wellbeing and academic learning. Communication, teamwork, self-confidence and problem-solving skills are all enhanced, along with building friendships with other children in foster care.

Wild about Learning is delivered through the Fostering Attainment and Achievement service.

The next scheme in your area is:

Venue: Loughgall Country Park

Dates: Saturday 8, 15 and 22 June 2024

Time: 10.00am-1.15pm

To register email events@fostering.net or call 02890705056 by Tuesday 30 April 2024
